OPO SERIES LASERS

To extend the options of our pulsed laser systems, Elforlight can offer OPO attachments for the FQ and FLP series lasers. Current models offer 3 micron outputs which is ideal for pioneering MALDI applications.

Model Name	OPO-3-100	OPO-3-500
Pump Power	1mJ	5mJ
Pump wavelength	1064nm	
Repetition Rate	100hz	50Hz
OPO Power	100µJ	0.5mJ
OPO Wavelength	3µm tunable
